608 Public Speaking
a) Members of the public
b) PCSO Morris & DCllr A Hill sent apologies. DCllr M Wakeman offered the loan of some litter pickers and pink bags as the PDNPA allocations have not arrived yet. He also noted that Councillor grants are now available. CCllr Alasdair Sutton left the meeting at this point.

609 To approve the Minutes of the Meeting held on Monday 8th March 2021
Council approved the minutes for signature by the Chair.

610 To determine which items if any from Part 1 of the Agenda should be taken with the public excluded- none

611 Planning Applications and Reports
Decisions received: none

Applications returned before the meeting: NP/DDD/0321/0257 near Slade Cottage, Monyash Road - Proposed local needs Dwelling
Over Haddon Parish Council supports this application agreeing with this local need and with the siting and design of the building. It would prefer to see an "agricultural worker" restriction clause to tie the property to the farm buildings as the need requires.

Other Planning matters: the Caravan has now been onsite 5 weeks and has not been painted juniper green and is obtrusive. PDNPA to be contacted to chase the owner.

Report of the Clerk / matters for decision: -

612 Highways and Footpaths

No reports back on outstanding issues and the County Councillor left the meeting before this item – a list will be forwarded. Footpath No.7 – PDNPA Rights of Way Team to be made aware of the lack of work since 2006 by DCC on this to add to their lists.

613 DDDC Lathkill Toilet Block cleaning

Cleaning continues twice a week. The act to take Toilet blocks out of Business Rates has passed and DDDC will now have a large pot of money available to properly maintain their blocks and clean them so need to be chased.

614 The Plantation

Students are due to return next week for some planting work and other actions thereafter are expected – no completion date has been asked for due to the Covid disruption.

615 20 is Plenty and Community Speed Watch Scheme

Community Speed Watch training is due to resume although one member has left the village and another needs the online training so dates have been requested.

20 is Plenty has 32 parishes signed up and it was recommended to write to Sarah Dines our MP for her support for a county wide restriction.

616 Allotments and Boundary Trees

Order placed for 2 Ash dieback trees to be removed.

A second person is to be added to the waiting list once they move in to the village.

Allotment inspection is to be carried out by the two non-holder councillors to assess all plots and for the clerk to write to those not being worked as a result of their findings.

617 DDDC Car Park Car Machine request

This is being investigated by DCllr M Wakeman who will inform us of the findings. It was agreed that the lack of cash carried since Covid means village congestion is getting out of hand as car park users can't pay. The cost of annual car park passes has gone up resulting in at least 70 traders in Bakewell parking on side streets and this is another area DDDC are pricing themselves into oblivion with.

618 Lathkill Dale – Natural England

NE has noted our concerns and offer to assist and will contact us when ongoing discussions allow. Unfortunately they failed to note that we could have responded to a Defra consultation – now closed but ongoing at the time and Council felt there needs to be a regular report on the Dale by NE to keep us up to date.

619 Annual Governance Statement

Council agreed to authorise the Chair to sign the statement noting all payments have been made in accordance with banking authority and risks assessed as required.

620 Annual Accounts and Exemption Certificate

Council approved the accounts and Exemption Certificate for signature and audit.
