Report of the Clerk / matters for decision: -

841 Highways and Footpaths

Council agreed to apply via our County Councillor to have a light reinstated in the dark alley adjacent to Rock Cottage. The uneven steps and added security make this a necessary location. It is noted that there are several examples of street lights on buildings

and the LED replacement already working would have had minimal energy needs. Parishioners are requested to keep reporting potholes on the DCC online system as the fastest way of achieving repairs.

#### 842 Allotments

Thanks were expressed to Cllr Oldfield for carrying out the inspection and creating the report. Agreed to circulate to all allotment holders with a covering letter noting the unworked plots need to show signs of improvement by November's meeting.

#### 843 Bus service

Still no signs from DCC to resurrect this, DCllr Sutton has promised to meet to discuss this with parishioners and council agreed a simple questionnaire should be circulated to see when the bus would be used prior to fixing a meeting date.

#### 844 Bus Shelter project

The group is meeting before the next Council meeting and will supply quotes for the repairs to look for grants.

#### 845 Public meeting on Crime

Over 50 attended and the Neighbourhood watch has been given a rebirth with 5 new committee members who will be joining the Derbyshire group. The text system was discussed as the most suitable conveyance for information. CCTV investigations of Hathersage note theirs is under review and has problems and the police noted limitations for general wireless cctv rather than property specific as evidence. PCSO is to be invited to the village show.
